We manage, and will clearly disclose, any conflicts that we think may influence our advice and we would also like to highlight the following interests, associations and relationships:

I currently participate in Millennium3's long term incentive plan. I may become entitled to receive a share of a bonus pool if Millennium3's criteria for the payment of the plan are satisfied. The larger my business within Millennium3 the more that I may enjoy any bonus pool that may be declared. Any business you place through me will help me to continue to participate and will in part contribute to the amount that I may receive, though various criteria that contribute to this are beyond my control or influence.
